## The chair for everywhere.

Code. A lean, smart profile that's well proportioned for comfort, yet personal in scale. The polished aluminum frame defines a form-fitting engineered mesh back. Code Executive and Task provide a performance seating experience, with standard full ergonomic controls and adjustable arms; fully-upholstered leather models offer cushioned comfort. The Conference chair offers affordable elegance, whether you choose the body-responsive mesh back or the all-leather model. Code Stool features dynamic mesh back and height-adjustable foot ring. So now, you can take your work...wherever.

Code Multiple back heights | 2-1 synchronized mechanism with side tension control | 2-way adjustable arms | Mesh back with upholstery seat or full leather

Sketch R | HIGH-BACK

4-way adjustable arm options.

30 degree pivot supports key-boarding and mousing.

Height adjustment range of 3.15".

Width adjustment range of 2".

Forward and back adjustment range of 1.57".

Don't let the good looks fool you.

Sleek, tailored and loaded with features, Sketch R is more than just a handsome chair. Rated to support 300 pounds, Sketch R has what it takes to perform beautifully for every work environment, at a price that will make you smile.

High-back, mid-back, conference and stool models provide seating solutions from the conference room to the private office. Enjoy extra comfort with dual-density foam in the seat and body-hugging curved back. Choose from four responsive mechanisms, including the fluid motion of our 2-to-1 ratio synchronized option. High-back and mid-back models have an easy-to-use ratchet back height adjustment. Available with loop or 4-way adjustable arms, Sketch R offers a posh polished aluminum option for base and arms.

Why settle for less?

Sketch R | STOOL

Dressy, not fancy (unless that's what you want).

Whatever your taste, look to the Sketch series. Simple, but far from plain, fully-upholstered Sketch offers low-back, high-back, Executive, Task, Conference and Stool models. Sketch seating is available in a generous selection of upholstery options. The dual compound-curve seat is available in three sizes to complement three adjustable back heights. The Sketch F model also offers a memory foam option. Choose from a wide array of control mechanisms and arm styles.
