▼  
I expect furniture that looks great,  
performs beautifully and actually  
arrives as promised. Personal  
service might be nice, too.

## Flexible furniture for the mobile worker.

People on the go redefines the need for 'fixed assets'. Trendway Training Tables create active spaces...a conference area that can become a training center, or project space...all with the same furniture. Trendway Tables provide power and data handling capability, and are available in a range of standard and special sizes; mobile, fixed or flip tops for nesting storage, and your choice of standard or optional COM surface materials.
